

4 RULES TO FOLLOW BECOMING A SUCCESSFUL ENTREPRENEUR

WORK SMARTER, NOT HARDER

You have to learn how to work smarter, not harder, and it's a mindset that will take some time to get used to.

HIRE PEOPLE TO HANDLE TASKS YOU AREN'T GOOD AT

Hire people to do the things you are not good at. This allows you to focus on the areas of your business that you bring the most value to, while you have people in place focusing their attention on the areas that they bring the most value to. It's a win-win.

DON'T BE AFRAID OF FAILING

You have to be prepared to fail, but more importantly, not be afraid of failing.

WAKE UP WITH PURPOSE DAILY, AND BE RELENTLESS.

The largest contributor to the success of an entrepreneur is the fact that they simply did it. They woke up every day, working hard until they made it happen. They pushed through, even during the difficult times.

"SUCCESS IS WALKING FROM FAILURE TO FAILURE WITH NO LOSS OF ENTHUSIASM."

BY WINSTON CHURCHILL
